Connie, I shall miss your morning anecdote which always put me in a good mood for the day. "Miss Irma"

DEDICATION

"How dear to my heart are the scenes of my childhood, . . ."

In the years to come each of us will doubtless recall with pleasure our years at C. H. S., and one of the most pleasant recollections will be that of Mrs. Irma Riggin - our eighth grade teacher.

We will remember her not only as a teacher, but also as a counselor and friend. Few students enter C. H. S. who are not taught by her, and none leave without feeling the same respect and love which we hold for her.

Bearing in mind her devotion to the profession of teaching and her genuine interest in each student, the Staff of the 1960 Sea Shell is proud to dedicate this volume to our "Miss Irma."

The C. H. S. girls' basketball team, under the coaching of Miss Christopher, had another fine season as they finished the year with an 8 and 1 won and loss record. The starting lineup of this year's basketball team consisted entirely of seniors. They were Diane Justice, Vickie Abbott, Barbara Mister, Carol Lawson, Nellie Smith, and Sheila Foskey. These players, possessing ability and experience, will be greatly missed next year.

Due to the excellent group of youngsters on the squad this year, however, the C. H. S. girls should continue to produce outstanding records in the future. Juniors on the team were Dollie Ann Rayfield, Donna Ward and Lou Anna Collins. There were two sophomore players - Josephine Butler and Betsy Tyler. Three freshmen made the team this year and showed vast improvement during the season. These freshmen were Seretha Dean, Jimmie Lee Sterling, and Stella Lawson.

BASKETBALL

Crisfield High School's basketball team once again had a very impressive record, and for the tenth straight season remained Somerset County champions. In regular season play, the "Crabbers" won 17 games and had only one loss to mar their record. The one loss of the season was to the Class "A" Wicomico High School team. In a return match, Crisfield was victorious; and, in one of the most thrilling games of the year, defeated Wi Hi by a score of 33 - 31. As can be noted by the schedule listed below, three games were also played against Class "B" teams - Stephen Decatur, North Dorchester, and Northampton. As in the past, the credit for the splendid record is the result of team play and excellent coaching. Coach Morgan will lose only three veteran players this year - Charles McClenahan, Donnie Drewer, and Terry Moore.

In a thrilling playoff game last year, Crisfield High School's 1959 baseball team defeated Deal Island by a score of 3 - 2, thus winning the Somerset County championship. Six members of last year's squad were lost by graduation, but Coach Powell has a good reserve of players left with which to work and looks forward to another winning season.

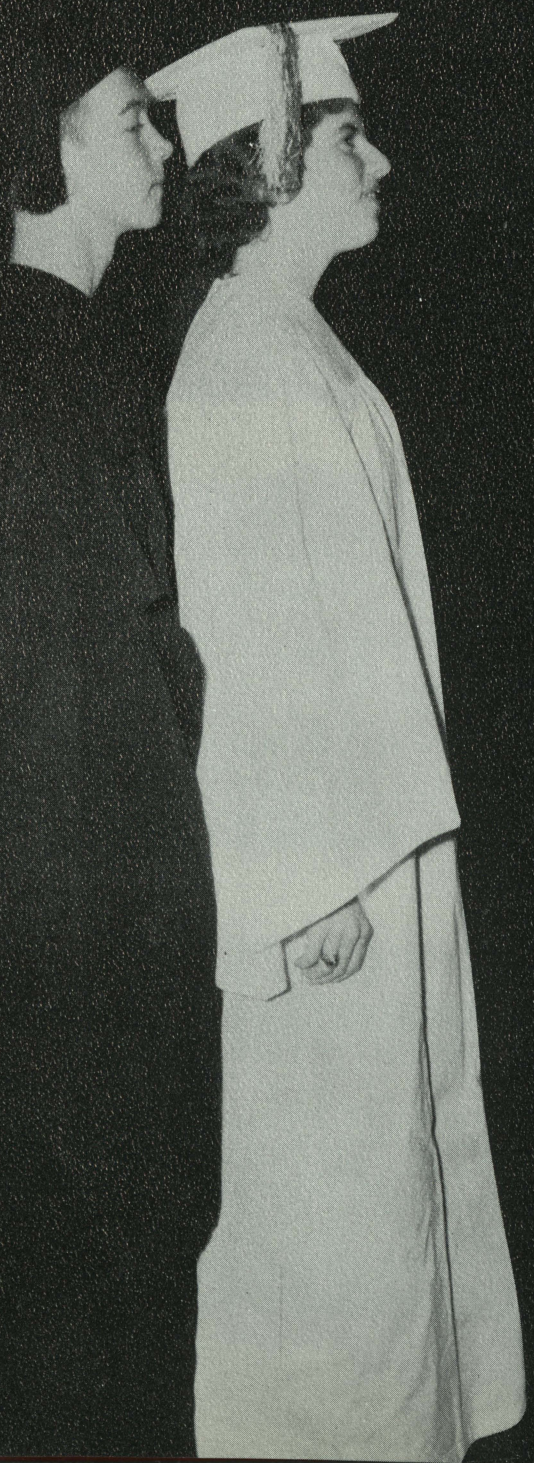
AND A HOPE FOR THE FUTURE!



Crisfield High School
Crisfield, Maryland

SPRING 1960

GEORGE F. CARRINGTON
PRINCIPAL

Dear Students of Crisfield High School:

DON'T STOP READING NOW - - THE ADVERTISING SECTION IS ONE OF THE MOST IMPORTANT PARTS OF YOUR YEARBOOK!

During the summer months - when you find extra time on your hands - read through the advertising section, and note many companies and individuals in and around Crisfield who have been so generous to our school in making the 1960 SEA SHELL a reality.

You, as students of Crisfield High School, should express your sincere appreciation to these establishments and patronize them during your high school years and particularly in later years.

This year there are one hundred and forty-seven advertisers in your yearbook. It has been a pleasure for the staff to deal with each of them in soliciting ads. We hope that the acquaintances made in our business contacts with them will serve to strengthen the relationships between this high school and the citizenship of Crisfield.

Sincerely,

THE SEA SHELL STAFF

My advice: Live every minute as though
you expected Jesus to come.
Seize every opportunity
Make the most of your life by
using every talent that you have.
Remember: He who steals my
purse, steals trash;
But he who steals my good
character,
Steals my most precious
possession
"A good name is rather to be
had than great riches"
M. Guyer
